Dear Mr Dol,

Analysis of the engine oil

MOTUL Specific 504 00 507 00 SAE 5W-30

has shown that product in question meets the requirements in accordance with VW Standard 504 00 and VW Standard 507 00. This engine oil is therefore suitable for use in our vehicles with LongLife Service (petrol and diesel engines including engines with particulate traps without fuel additizing) according with the Owner's Literature for our products.

So that it is clear to both customers and workshops that this approval has been granted, containers should state:

This approval is only valid for the following production site:
MOTUL, Chemin du Corps des Gardes, 77360 Vaires sur Marne, France

Please note that this approval expires after 36 months, at which point compliance with the then valid VW standards must be verified again.

The fee for this approval amounts to € 2 680,-.

Yours sincerely,
